WATER SERVICE AGREEMENT

City of Lockney

- I. **PURPOSE:** The City of Lockney actively seeks to protect its public drinking water supply from contamination or pollution which could result from improper plumbing practices. The purpose of this service agreement is to notify each customer of the plumbing restrictions which are in place to provide this protection. This city has the legal responsibility to enforce these restrictions to ensure the public health and welfare. Each water customer must sign this agreement before the City of Lockney with begin service. In addition, when service to an existing connection has been suspended or terminated, the city will not re-establish service until delivered a copy signed by the resident responsible for payment.
- II. **PLUMBING RESTRICTIONS:** The following undesirable plumbing practices are prohibited by state regulations:
- A. No direct connection between the public water supply and a potential source of contamination is permitted. Potential sources of contamination shall be isolated from the public water system by an air-gap or an appropriate backflow prevention device.
 - B. No cross-connection between the public drinking water supply and a private water system is permitted. These potential threats to the public drinking water supply shall be eliminated at the service connection by the installation by an air-gap or reduced pressure-zone backflow prevention device.
 - C. No connection which allows condensing, cooling, or industrial process water to be returned to the public drinking water supply is permitted.
 - D. No pipe or pipe fitting containing more than 8.0% lead may be used for the installation or repair of plumbing at any connection which provides water for human use.
 - E. No solder for flux containing more than 0.2% lead can be used for the installation or repair of plumbing at any connection which provides water for human use.
- III. **SERVICE AGREEMENT:** The following are the terms of the service agreement between the City of Lockney and _____, the customer.
- A. The Lockney water system will maintain a copy of this agreement as long as the Customer remains and the premises is connected to the water system.
 - B. The customer consents to inspection of the serviced property for possible cross-connections and other undesirable plumbing practices. These inspections shall be conducted by the City of Lockney or its designee prior to initiating water service and periodically thereafter. The inspections shall be conducted during the city's normal business hours.
 - C. The city shall notify the customer in writing of any cross-connection or other undesirable plumbing practice which has been identified during the initial inspection or the periodic re-inspection.
 - D. The Customer shall immediately correct any undesirable plumbing practice on the premises.
 - E. The customer shall, at his expense, properly install, test, and maintain any backflow prevention device required by the City of Lockney.
 - F. Water Service will be disconnected until the practices are remedied.
- IV. **ENFORCEMENT:** If the customer fails to comply with the terms of the Service Agreement, the City of Lockney shall, at its option, terminate service or properly install, test, and maintain an appropriate backflow prevention device at the service connection. Any expenses associated with the enforcement of this agreement shall be billed to the customers.
